Company Overviews

BAB AL MARJAN Packaging & Packing MAT. IND LLC is one of the renowned packaging products markets because of its high-quality products & services in the industry. We are established as one of the biggest and most reliable manufacturers of a whole range of Corrugated Cartons and Die-Cut Boxes. We are located in Sharjah, with easy access to all parts of the UAE. We create corrugated packaging solutions for companies throughout the United Arab Emirates, no matter the size of the company or its requirements. Our experience and understanding of the market demands provide our customers with a dynamic service to suit their business demands ensuring packaging is available in the timescales you require. Our expert and dedicated team prepares the products according to the client's requirements and provides the sustainability of the products. We believe in quality product manufacturing with delivery in the proper timeline.

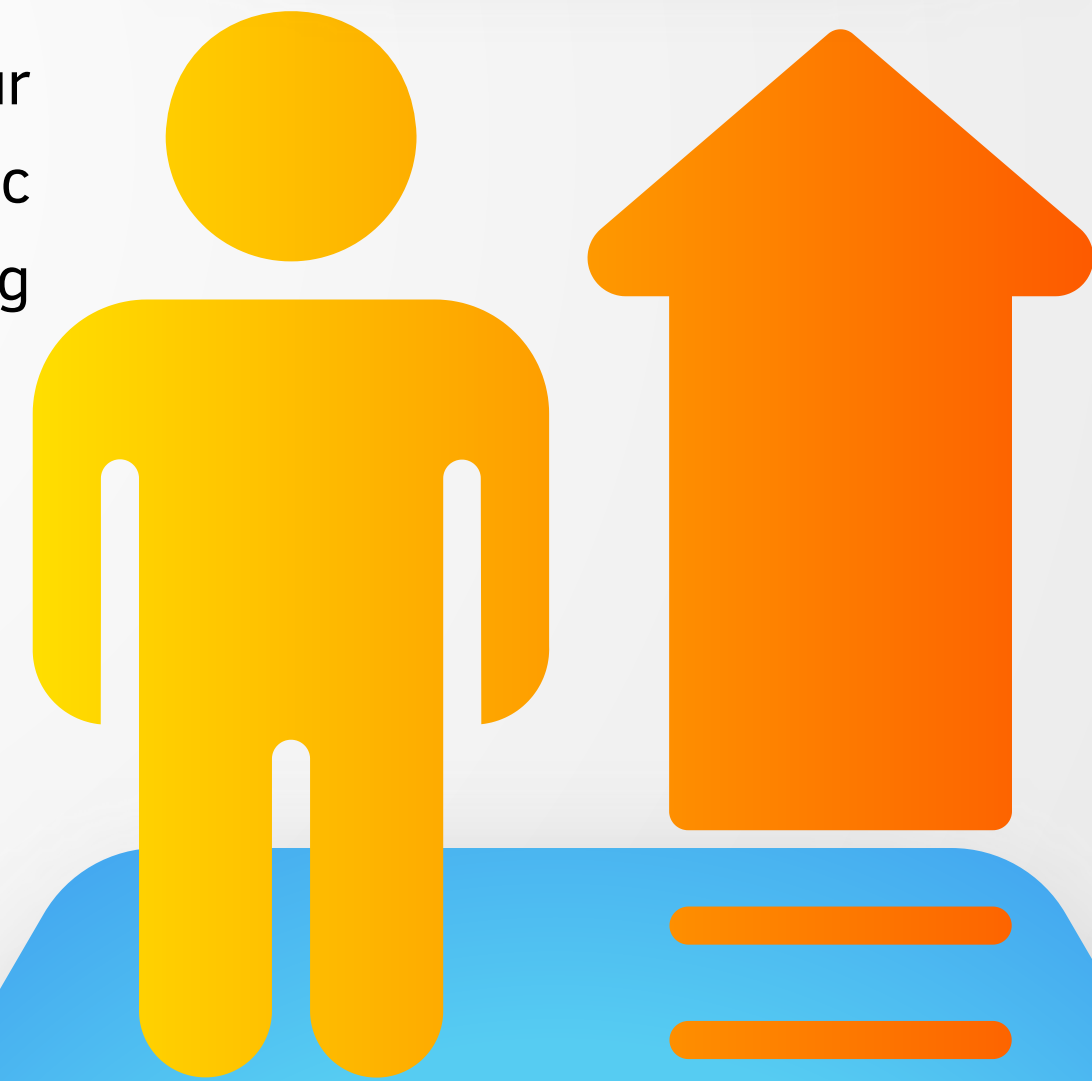

Our Vision & Mission

Our Vision

We have been committed to going green since we stepped into this industry. Our goal is to create sustainable packaging solutions that will eventually replace plastic packaging globally. We have consistently produced the highest caliber packaging items using recycled paper, which benefits the environment in several ways.

Our Mission

Satisfy our customers by meeting their expectations and needs, both in terms of product quality and service.

OUR VALUES

1

We are committed to enhancing client satisfaction by executing projects and services on time and within budget. This will be achieved by incorporating the following principles into all processes and activities.

1. Quality.
2. Continual Improvement.
3. Innovation.
4. Employee Involvement.
5. Green Revolution.

2

These are the foundation of all collaborations that helps us achieve our common goal and sustain our future. With this, we aim to ensure, among other things, a life-work balance, a pleasant work environment, and higher social responsibility.

Our Innovations & Strength

Experience of over years in corrugation box manufacturing and printing. The company has a strength of experienced people and is now aiming to become one of the leading manufacturers in the Middle East.
